Experience

DECA Ontario Inc.

Chief Financial Officer of Chapter

Sep 2023 - Jun 2024

Brampton, Ontario

- Organized a series of successful food-based fundraising events during school breaks, generating over \$750 to help subsidize DECA membership fees for students, thereby increasing accessibility and participation within the chapter.
- Led weekly in-person DECA training sessions alongside a fellow executive, focusing on case analysis, presentation delivery, and exam strategies, resulting in over 100 members within our chapter qualifying for the provincial competition.
- Delivered a series of auditorium presentations with the executive team to introduce students to DECA, explain competition details, and encourage participation resulting in membership of over 200 individuals and positioned our chapter as the second largest in Ontario.

DECA Ontario Inc.

Travel and Tourism Team Decision Making Competitor

Dec 2023 - Feb 2024

Toronto, Ontario

- Competed in a fast-paced business case competition, collaborating with a teammate to prepare and deliver a formal presentation within 30 minutes, effectively showcasing a strategic solution to the presented business problem.
- Placed 3rd overall in the Peel Region and Top 15 overall in Ontario.
- Ranked Top 15 in Ontario for the competition's exam component.

Positivity for Patients

Volunteer

Jan 2021 – Nov 2021

Brampton, Ontario

- Produced over 150 personalized digital cards using software such as Adobe Photoshop and Canva by designing uplifting messages and visuals for cancer patients, resulting in boosted patient morale and over 80 volunteer hours earned.

Honours and Awards

Class of 2024 Valedictorian

Castlebrooke Secondary School

June 2024

Brampton, Ontario

- Participated in a competitive Valedictorian application process by writing a persuasive one-page essay demonstrating my leadership, academic excellence, and extracurricular experience.
- Elected for the position by the student body among four other candidates, after passing the initial essay round.
- Delivered a five-minute speech at our commencement ceremony, addressing an audience of over 700 attendees.

AlphaHacks: 3rd Place

Target Alpha

June 2021

Toronto, Ontario

- Created a prototype for a website called "Helping Hands" using HTML and CSS which allowed users to support community initiatives.
- Placed 3rd among forty-six submissions, alongside my three team members.
